Choose from a range of
superior performance
Test&Measurement Instruments
now at an **outstanding Special Offer price!**

- Széles típusválaszték -
10% kedvezménnyel

2009. március 01-től 2009. május 31-ig

- 6 ½ digités multiméterek USB/GPIB/Ethernet interfésszel, opcionális mérőhelyváltókkal
- SourceMeasure készülékek (egybeépített 4 negyedes precíziós feszültség- és áramforrás, multiméter)
- Kézi RF teljesítménymérő
- Elektrométer

Az akcióban résztvevő készülékek:

Típus	Megnevezés	Kedvezmény
2100	6-1/2-Digit USB DMM 11 measurement functions, USB interface	10%
2000	6-1/2-Digit DMM 13 measurement functions, IEEE-488/GPIB and RS-232 interfaces, optional switch card	10%
2700	6-1/2-Digit DMM, Data Acquisition, Datalogging System with 2 Slots for 12 optional switch/control plug-in cards for up to 200 differential input channels. IEEE-488/GPIB, RS-232 interfaces.	10%
2700/ 7700	Like Model 2700 but with 20 Channel Differential Multiplexer card included	10%
2701	6-1/2-Digit DMM, Data Acquisition, Datalogging System with 2 Slots and Ethernet Support Like Model 2700 but with additional Ethernet interface	10%
77xx	Differential Multiplexer, Control, Matrix, and RF Cards for Models 2700 and 2701 Go for a price quotation	10%
2400	General-Purpose SourceMeter Measurements up to 200V and 1A, 20W Power Output	10%
2400- C	Like Model 2400 but with Contact Check	10%
2410	High-Voltage SourceMeter Measurements up to 1100V and 1A, 20W Power Output	10%
2410- C	Like Model 2410 but with Contact Check	10%
3500	Portable RF Power Meter	10%
6517B	Electrometer/High-Resistance Meter Resistance measurement up to $10^{16}\Omega$, 1fA-20mA current measurement range, $<20\mu\text{V}$ burden voltage on lowest current ranges, 200T Ω input impedance, up to 125 rdgs/s, built-in $\pm 1\text{kV}$ voltage source	10%
